DISTANCE LEARNING OR CORRESPONDENCE EDUCATION**

Pursuant to the United States Department of Education’s Program Integrity Rule, the University of Wisconsin- Madison is required to provide all prospective and current students with the contact information of the state agency or agencies that handle complaints against postsecondary education institutions offering distance learning or correspondence education within that state. Students are encouraged to utilize the institution’s internal complaint or review policies and procedures through the Office of Student Affairs or Office of the Provost prior to filing a complaint with the state agency or agencies. The link below provides a list of contacts from each state in which a student may file a complaint.
